

# How to Fold Your AAA School Safety Patrol™ Belt

1. Beginning with your patrol belt laying on a flat surface, match the waist portion of the belt together and then the shoulder portion of the belt together.

2. Fold under the right side of the waist portion of the belt.

3. Fold under the left side of the of the waist portion of the belt.

4. Fold under the shoulder portion of the belt so it wraps around the belt waist until folded completely.

5. Secure with a rubber band.
