

INVESTING IN THE FUTURE OF SAFETY

It's time to lead the next group of Patrollers

How to Utilize This Lesson for Patrollers:

This file will print as 5"x8" and can be glued to index cards. Punch a hole in the corner and use a split ring, brad fastener, etc. to create an easy, portable, flip chart. This year's Patroller lessons will be created in the 5"x8" size so content can be added and used as a reminder throughout the year.

**HOW WILL YOU MENTOR NEW
PATROLLERS?**

Before you leave...

- Are there any areas around the school that don't have a post and should?
- Are there any posts that could benefit from more than one Patroller?
- What is a recurring safety hazard that needs to be addressed?
